**ALL ARE
WELCOME!
(Open and Affirm-
ing, Reconciling
Statement) :**

We, the Williston Federated Church, declare ourselves to be an Open and Affirming, Reconciling congregation. With God's grace, we seek to be a congregation that includes all persons, embracing differences of sexual orientation, gender, marital status, age, mental and physical ability, as well as racial, ethnic, or social-economic background. We welcome all to share in the life and leadership, ministry, and fellowship, worship, sacraments, responsibilities and blessings of participation in our congregation. (Adopted and embraced by the WFC congregation in February, 2006.)

Message from Pastor Paul

VITAL!!! A Note from Pastor Paul Eyer October 2019

You see it happening. Sometimes you can sense the excitement. Oftentimes there is palpable new energy evident around our church and congregation.

There was the church float at the Fourth of July parade—and ice cream available afterwards. There was the increased attendance at Vacation Bible School 2.0 (now known as “Faith, Fun and Fellowship”) and then the two Town Band concerts on the Village Green where we served free s’mores to any one in attendance.

More recently, we gathered for the Corn Roast in the labyrinth area of the church lawn where many visitors and friends stopped by. And of course, some more s’mores were served as well. (After hearing about some of these endeavors, a few of my clergy colleagues have begun referring to Williston Federated as the “Church of S’Mores.”)

Each of these steps had the effect of reaching out to the community, in many cases connecting with people where they are. These undertakings have been part of a concerted effort to invite even more people to connect with our community of faith here at Williston Federated Church.

And many of these efforts are an outgrowth of the work of the Vitality Team. (An exception is the ice cream on the Fourth of July. The ice cream team has made that event happen two years in a row, preceding the creation of the Vitality Team. And the ice cream team has done great things each year!) Of course, many congregation members and friends eagerly join in these efforts. The commitment of this congregation to outreach is inspiring!

The expanding ranks of the Vitality Team includes the following:

Carol Bouchard, Melissa Delisle, Jenny Rousseau, Heather Lewis, Ruth Magill, Charlie Magill, Lizzy Pope, Gary Lewis, Vicki Trueman, Carol Burbank, and Ashley Dubois (and perhaps others: this is a group that is gladly growing!).

Over the last several months, this team has benefited from the coaching offered by highly-regarded church growth consultant Paul Nickerson. Some of the wisdom that Paul Nickerson has offered—and some of the creativity that he has helped to inspire—has been remarkably beneficial for our church.

Just as the Vitality Team is reaching out to extend invitations to the wider community to join us in worship and in service, the Vitality Team has a special invitation to extend to everyone connected with our congregation.

**On Saturday,
November 2, from
10:00 a.m. to 3:00
p.m., our church
will host a Church
Vitality training
session led by Paul
Nickerson.**

Other churches from across Vermont (who have, like our congregation, been working with Paul Nickerson) will be sending their respective Vitality Teams to join us for this session.

Because our church is the host site for this event, however, our congregation is invited to send as many people as we can muster for this meaningful workshop. Those from our congregation who attended a similar session with Paul Nickerson back in February can attest to the fact that he is a very engaging, entertaining, and inspiring presenter.

This event on November 2 offers our congregation an extraordinary opportunity to gain even more insights—and be inspired to even more creativity—as we seek to find new ways to connect even more deeply with the community around us and to live

out the gospel message of God’s love for all. Plan to be part of this wonderful day!

And let us continue to keep in prayer our ministries and our message to “Come Meet Christ, Go Serve with Us.”

Enthusiastically,
Rev. Paul Eyer, Pastor

From the Finance Committee

Autumn is the season in which nature moves towards rest. Fields are harvested, leaves fall, and seeds drop to the ground, to lie dormant until the warmth and gentle rains next spring. In the church, however, autumn is the season of fresh beginnings—the return of Sunday School and choir, and regular committee meetings :)

Your Finance Committee is committed to keeping the congregation informed of the financial state of WFC. As you know, we have faced a couple of “tough” years with declining revenue and diminished number of financial contributors. But, as Pastor Paul reported last month, things are looking up, as our spring stewardship campaign recorded the largest number of pledging units (individuals or households)—99-- and the largest dollar amount—more than \$140,000— **in the last five years!** *Thank you, thank you!*

The budget for 2019-20 (ending June 30, 2020) includes a projected deficit of some \$31,000, and those funds will

need to be taken from our operating reserves (savings account), reducing the reserves to a lower level than they should be. However, **IF ALL PLEDGES ARE FULFILLED, AND WE HAVE A 2020 STEWARDSHIP CAMPAIGN THAT IS AS SUCCESSFUL AS 2019 (15%+ INCREASE), WE WILL HAVE TURNED THE CORNER IN TERMS OF FINANCIAL SUSTAINABILITY.**

What can YOU do to ensure the financial sustainability of WFC? First, if you have pledged, please keep your pledge up-to-date-- weekly, monthly or quarterly. If you haven't pledged, please give via the offering on Sunday generously and on a regular basis. Second, encourage your friends and family and neighbors to “check out” the great programs (not only Sunday service but other opportunities) offered by the church. Word of mouth is the best way to attract new regular congregants. Many hands make for lighter work, in donating as in volunteering.

As we look forward to the 150th anniversary of our beautiful building, we have so much to be grateful for. Let us express that appreciation in a tangible way. Thank you again!

CHURCH SAFETY

In February 2019, a grant application (authorized by the Official Board) was submitted to the Vermont Homeland Security Unit for funding to enhance safety and security at our church.

Guiding principles:

safety:

the *raison d'être* for this step;

care for others:

As the Apostle Paul said to the elders of a first century church: *Keep watch over yourselves and over all the flock...to shepherd the church of God.* (Acts 20:28 NRSV)

seven-day-a week usage:

the grant application was crafted with an awareness that portions of our church facility are in use seven days a week by a variety of community groups as well as by our congregation. These recommendations are intended to enhance safety for all who come here.

history and aesthetics: care was taken to respect the historic and aesthetic value of our church property as the grant application was formulated. NO changes are envisioned that would adversely affect the ex-

ternal appearance of our church structure.

a sense of welcome and invitation:

Task Force members believe that implementation of the grant will further enhance the spirit of hospitality that already characterizes our congregation and our worship services

Items included in

grant: If approved, this grant would provide funding for the following:

Safe rooms.

By strengthening doors and locks, we can make designated spaces in the church into "safe rooms" in the unlikely event of an armed intruder. (Law enforcement workshops on how to respond to active aggressors emphasize the importance of such safe rooms.)

The grant application envisions the following possible "safe rooms": the attic, the kitchen, the music room, the balcony room, and the Sitting Room. The Day Care requested a safe room be set up using the storage room in their area.

(Amount requested in grant application for

this item: \$6500 for lock and door upgrades; \$8010 for special door upgrade)

Safeguarding windows.

A transparent, shatter-resistant film (wrap) would be placed on strategic windows of the church, including the glass of external doors, glass of safe room doors, and strategic safe room windows. Not only would this help to protect the windows from the impact of errant soccer balls or other airborne objects, it would help to protect those who might be injured if windows are shattered, and would slow entry into the church via windows and door glass by an intruder intent on harm.

(Amount requested in grant application for this item: \$3500)

Remote Locking system.

In the rare event that an active aggressor is about to enter church premises (whether on a Sunday or during the week), a mechanism would be in place to lock (remotely) all entrances to the church. (It would still be possible to exit the church, but a perceived

MAKING A SAFE PLACE EVEN SAFER

CHURCH
SAFETY

threat could not enter while this remote locking device is activated.)

(Amount requested in grant application for this item: \$10,857)

Day Care access.

A video monitor and access system would be provided in the entry area to the day care so that day care staff would be able to remotely and securely view those seeking access to their space. **This is the only video device included in the final iteration of the grant materials.** *(Amount requested in grant application for this item: \$1109)*

Non-grant items. There are a number of safety and security facility recommendation items that have been identified that are related to grant items but were not able to be included in the requested grant funding.

Removal of one of the doors into the Sitting Room,

Replacement of the large set of sliding glass plates (windows) in the Administration office wall with a sheet rocked wall and smaller sliding window,

Removing the windows located in back stairway leading into the day care,

Upgrading the exterior door windows in the day care storage room.

The Day Care has requested that the two doors in the back of the day care be able to be locked and secured.

Most of these items are relatively low cost items and labor could possibly be completed by volunteers.

Training workshops:

The Security Task Force is also recommending the following training opportunities to promote safety at the church (and beyond):

Fire safety,

fire extinguisher locations and use, fire drills;

“Responding to an Active Aggressor”

workshop (led by State Police);

First Aid,

CPR, and “Stop the Bleed” training.

Taken together, we believe that these modest passive improvements included in the grant proposal will further enhance the safety of our church facilities and provide an even more welcoming space for our congregation and the community.

World Communion Offering Sunday

Sunday, October 6, is World Communion Sunday. It is a time when Christians in many countries around the world break the bread and pour the cup to remember that we are a global community of believers and followers of Christ.

On this day, WFC takes a special offering to commemorate this celebration. These gifts are shared equally between the United Church of Christ and the United Methodist Church.

The UCC offering, "Neighbors in Need," supports ministries of justice and compassion throughout the United States.

Local churches and organizations receive much needed grants for staff training and development, as well as funding for projects that address systematic injustice. The UMC "World Communion Offering" offers scholarship assistance to first generation minorities and international students who are pursuing graduate studies that allow them to work for social justice and change in the world.

Historically, these groups have not had significant access to higher education. Both offerings serve the marginalized and give hope and support to those in need.

Thank you for your generosity and compassion

Tune Up Day November 2nd

On November 2nd from 10:00 am-3:00 pm WFC will be hosting several VT churches for a 'Tune Up Day'. This is the midway point of the year long 'Reaching New People' initiative that we began last spring. A group of folks, who have a vision for our church, have been meeting regularly and talking about additional ways that we as a church can reach out to new people.

Examples of some past activities include: The 4th of July parade float, s'mores at two of the band concerts on the town green, Faith Fun & Fellowship, 5th Sunday community outreach, the corn roast, blessing of the animals, comfort tent at the Chowder Challenge with a baby changing station, a prayer board & Kindness Rocks and expressions of thanks to our community servants; police, fire & rescue, town hall, library and post office. We have been holding our meetings at Chef's Corner where we are visible rather than tucked away in the church building. Pastor Paul has also been concentrating time & energy reaching out to new people through Rotary, as the

newly appointed chaplain to our local fire department, greeting those who come to use our facilities and meeting neighbors

I invite you to attend the Tune Up Day November 2nd. Paul Nickerson, who led the day long seminar several of us attended last February, is a dynamic speaker and has a compelling message and practical suggestions for how we can reach new people and grow our church. Planting the seeds, via new information, could result in some creative and wonderful ideas for reaching out to people in our community. Please pass the word & encourage others to attend the workshop on Nov. 2nd. The more folks from our church who are involved in the process of reaching new people the more successful we'll be.

WFC is providing lunch and we would welcome your help. Please sign up on the bulletin board for planning purposes.

WE NEED YOU! CONNECTING YOUTH MENTORING

We Need You! Connecting Youth Mentoring at Williston Central School has a program that connects community adults with students in the fifth through eighth grades. Students, who may benefit from having an adult friend besides their parents and their teachers, are paired with community volunteers. The adult “mentor” meets for one hour a week with the “mentee” during school hours to visit, play games, bake cookies, do crafts or just enjoy conversation.

The program is not an academic, nor tutoring program, nor a counseling program, and it does not extend beyond the school day. Benefits of the Mentoring Program at our local public school include: ! Middle school mentees have an additional caring adult in their lives ! During one relaxed hour a week students explore interests , gain self confidence ! Adults experience satisfaction of being important to a child ! Both enjoy a new meaningful friendship

For more information about being a “mentor” at the school, contact Nancy Carlson, Mentoring Coordinator at the Williston Central School: ncarlson@cvsdvt.org or speak to Federated Church members who are current mentors: Ruth Magill, Brian Goodwin, Andrew Becher, Hallery Brunet. It is an inspiring and fun one hour a week program and quite flexible for your needs. Ruth M

SUNDAY SCHOOL TEACHERS NEEDED

Can you spend 4 Sundays this year with our children?

The Education Committee is asking for two adults to co-teach for one month. The next month another two people take over. That is it!

No long term commitment.

We have great materials! Subs are always available if something comes up.

Please sign up on the bulletin board.

THANK YOU!

Book Club News October

October's book is 'Where the Crawdads Sing' by Delia Owens.

For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl.

But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved.

When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens.

Perfect for fans of Barbara Kingsolver and Karen Russell,

Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

The October book club meeting will be on Monday, Oct 28 at 5:30 in the fellowship hall. We'll have a potluck dinner followed by a book discussion, Carol Bouchard and Sally Metro will host. We will need a volunteer to lead the discussion. In November we'll read 'The Alice Network' by Kate Quinn and in December we'll read 'The one in-a-Million Boy' by Monica Wood. All women are welcome to attend. Please call Carol 862-7400, carolcbouchard@

UPDATE ON REFUGEE FAMILY

First of all, I want to thank all of you who have expressed concern for and made donations to the refugee family who were left homeless this summer after a fire destroyed their apartment and most of their belongings. We have sorted and packed many boxes of household goods for them, placing the items in storage in the attic of the church until the family is ready to move. No other church organization is assisting with these donations at this time.

Unfortunately, the family of seven, is still living in temporary housing and has a voucher from the state of Vermont to remain there until November 7.

A team of professionals is helping them secure an affordable three bedroom apartment as well as helping the father get back to work after he was forced to drop out due to their situation. Currently, their only source of income is public assistance.

We have decided to continue our collection of household items and furniture for the family throughout the month of October. They will also need some basic furniture: beds, a dining table and chairs for 7, a couch and/or other comfortable chairs, sets of drawers or shelves for clothing, lamps, and a TV. After we do an inventory of the donated goods, we

will post a new list of items that are desirable.

If you have large items, please contact me, Carol Wyatt, by email: bruce-carol@gmail.com or call: 802-876-7950, so that we can make arrangements to pick them up after the family moves to their new place

The family is enormously grateful for our support and prayers and looks forward to the day they are in their new home. Thank you all for your generosity and outreach. You are a such a caring and compassionate community

HISTORY OF THE CHURCH

Recipes from the Past

Old Vermont Beet Relish

4 cups finely chopped cabbage (red or white)

4 cups finely chopped beets (cooked)

1/2 bottle of 5 ounce horseradish

1 teaspoon salt

1 and 1/2 cups cider vinegar

1 cup sugar

Pepper

Mix all together and store in a covered glass jar in the refrigerator. Very good with roast beef.

Cabbage Casserole

1 medium cabbage , coarsely shredded

4 tablespoons butter

4 tablespoons flour

salt to taste

2 cups milk

1/2 cup diced American cheese

1 cup buttered bread crumbs

Additional cheese for topping

Cook cabbage in salted , boiling water for 8 minutes until tender. Drain. Melt butter in saucepan over medium heat, stir in flour and salt. Add milk gradually, stirring to incorporate with butter and flour mixture.

Stir in American cheese and cook until sauce is smooth and thick.

In a buttered casserole dish, alternate layers of cabbage and sauce. Top with buttered crumbs ,then sprinkle with grated cheese. Bake in moderate oven for 30 minutes until bubbly and toping is golden .

WFC Church Labyrinth

Do you like to stop, take time away from your busy schedule, think about your life, your relationship with God, listen to your inner self? Are you contemplative? Have you walked the labyrinth on our WFC lawn?

A labyrinth is not a maze, there is a single path that leads from the outside into the center. At the Bethany

UCC church in Montpelier there is an indoor labyrinth that leads to a view of a picture window that depicts Jesus; it can be a very moving experience to walk and pray. The French cathedral at Chartres has a world famous labyrinth. The Costal Maine Botanical Gardens has a stone labyrinth that you can walk in bare

feet and feel the smooth stones. Williston Federated Church has a grass labyrinth outlined in brick.

It was built by a group of parishioners about 5 years ago.

Take some time out to walk the labyrinth while the weather still permits.

Silence With God

Solitude and silence are not, in the end, about success or failure. They are about showing up and letting God do the rest.

They are not an end in themselves;

they are merely a means through which we regularly make ourselves available to God for the intimacy of relationship and for the work of transformation that only God can accomplish.

ALL ARE WELCOME HERE

We, the Williston Federated Church, declare ourselves to be an **Open and Affirming, Reconciling** congregation.

With God's grace, we seek to be a congregation that includes all persons, embracing differences of sexual orienta-

tion, gender, marital status, age, mental and physical ability, as well as racial, ethnic, or social-economic background. We welcome all to share in the life and leadership, ministry, and fellowship, worship, sacraments, responsibilities

and blessings of participation in our congregation. (*Open and Affirming/Reconciling statement adopted by the Williston Federated Church congregation in 2006.*)
